Event:

Constructing Excellence Announces Restructuring - London

Address:

Goodenough College
London House
Mecklenburgh Square
London WC1N 2AB

Web: <http://www.londonhouse.org.uk>

Date:

12 June 2008

Time:

9.30am registration, 10.00am - 12.30pm
workshop

Overview:

****This will replace the previously scheduled
BE Forum.****

This workshop will offer the opportunity to discuss what the restructure could mean for members and to agree the forward work programme of services, task groups and member events given the renewed focus on added value for members.

We would like to invite all members of BE, the Infrastructure Forum and NCCTP as well as Group members to attend this meeting, and would particularly hope that

1.0 First Session

2.0 Table Discussion

3.0 Open Feedback

3.1 Information

- Non members should buy information

3.2 Regions

- Should be supported, but stronger links are required with the centre as they carry the brand
- Cost issues

3.3 Comms

- Better communication to members of activities/outputs
-  Must remain leading industry communicator with the government
-  Must remain leading industry communicator with the supply chain
- News letter needs to be more punchy/relevant

3.4 PR

- Greater use of endorsements from others
- Build the brand awareness
- Control the brand
- Each member needs to feel that they are ambassadors for CE

3.5 **Long term**

- KPI bench marking will support long term improvements

3.6 **Other associations**

- CE position must be mapped and fit established
- Strategic forum need to be influenced if government want to use them a collective voice for construction

3.7 **Working groups (WG)**

- 😊 Consolidation of different forum WG

3.8 **Perceptions**

- 🧑 Membership still feels personal not organisational

3.9 **Research**

- National Platform is important and CE should leverage its input
- Creating information should not be a priority
- Application of what we know is more important

3.10 **Governance**

- Values
 - ▢ Members should sign up to the values of CE
- Mission
 - ▢ 🧐 Still valid
- Vision
 - ▢ Move to one entity
 - ▢ 🧐 Still valid

3.11 **CE leadership**

- Strong leadership required
- Succession planning is important and should be addressed

3.12 **Events**

- Accreditation for attendance at events (CPD or training point etc)
- Perhaps CE own collaboration point system or similar
